Cost per person: PLN 690.00 per person - with a minimum of 45 paying participants + 4 adults / teachers (free of charge). *The price offer for 2019.*

#### Sample topics of classes:

1. Getting to know trees: children learn to recognize tree species on the basis of leaves, crown construction, bark.
2. Explorers' expedition: through simple games and games children are sensitized to the surrounding nature: sounds, colors,
3. Landscape: children assessing the landscape in a special sheet learn about the transformation of a place by a man and at the same time discover the natural elements of the environment
4. "Ojców Trophy": children during the orientation march learn to determine the direction of the compass march, wandering through the most beautiful and wildest areas of the Ojcowski National Park, where they have various tasks to perform at the designated points.
5. Searching for Spring: children discover elements of the awakening nature, which are plants and animals. They discover the sounds, smells and colors of the waking nature.
