

School Trips around Ojcowski National Park

School trips with a tourist guide along the Ojcow National Park

Multimedia and Real

At the beginning, the route leads us through Nowa, opened in April 2010, the Multimedia Nature Exposition of the Ojców National Park. In a short time, we can get to know the versatile nature of Ojców and Ojców Park, listen to birds singing, hear a cave echo and feel a falling drop of cave rain, watch photos in 3D and a movie in 2D. Prepared to soak up nature, we set off on the green trail where we can confirm the previously acquired knowledge in a real way. During the walk, we will visit the Dark Cave where we will be able to see the dripstone forms of the cave known to us in the Museum and see old archaeological excavations. Next, we will go along the trail through viewpoints to the magnificent Prądnik Valley. Perhaps during the journey we will be able to hear and recognize the bird's singing? or and even meet other inhabitants of the Ojców forests ...?

Included in the price of this tour:

- admission tickets: Nature Exposition + Dark Cave

We recommend additionally, at the end of the school trip, a horse-drawn carriage ride with a bonfire and sausages and tea.
